

Welcome to the month of February!

As the month kicks off to a snowy start, the PLC has lots of inside activities to keep us busy as we stay in from the cold! This month the PLC will be hosting our second marking period awards assembly. Please note that if your child is receiving an award information on the assembly date and time will be sent home from the classroom teacher. PLC will be celebrating a kindergarten milestone as we reach 100 days in school this month! Students will be counting to 100 in so many fun ways. The 100th day of school is always a fun and exciting day for all! To round out the month Southern Regional students will be visiting our school for Read Across America. As a remind, although it was a snowy and cold start to February, when weather permits, we do go outside for recess. Please make sure your student has appropriate attire for outside play in these colder months

A very big Thank you to all of our students for participating in The Great Kindness Challenge! Keep up the awesome kindness efforts!
