## **PUBLIC COMMENT NOTICE - STAFFORD TOWNSHIP BOARD OF EDUCATION MEETINGS**

The Stafford Township Board of Education welcomes the opportunity to hear what members of the public have to say about matters of public interest. However, we do have specific procedures in place for you to bring your concerns to the proper personnel. We refer to this as the chain of command. For example, if you have a concern involving something within the classroom, we would ask that you first speak to the teacher, and if necessary, the principal. If you have not utilized the chain of command, we would ask that you please do so prior to addressing your concerns in this meeting so that the district personnel are given the opportunity to resolve these matters to your satisfaction. If, after utilizing the chain of command, you feel your concerns have not been addressed, we welcome you to return to the next Board meeting to voice your concern. If you have any questions about the chain of command (or the appropriate person to whom you should address your concern), please feel free to ask any member of the Board at the break or when this meeting concludes. We would also like to make you aware that there are certain matters that the Board can only discuss in closed session. Thus, if your comments touch upon an issue that is only to be discussed in closed session or one where certain notices must be provided prior to the Board conducting any discussions, the Board will not be able to respond to your comments at this time. We will inform you if this is the case when you have finished speaking. Specifically, this situation may arise if you are discussing a particular employee (or employees) of the district or a particular student (or students).
