2440 SUMMER SCHOOL

It is the policy of the Board to conduct a summer program for resident students of this district, and such other students as may be summer residents and otherwise qualify for admission. Such students shall be those who score below acceptable reading and math levels in standard instruments of measurement selected by the administration.

The summer session may include:

1. Remedial courses;
2. Other appropriate programs offered by the Stafford Township School District.

The Board shall also offer Extended School Year (ESY) services for special education students. "Extended School Year Services" means special education and related services that are provided to a student with disabilities beyond the normal school year in accordance with the student's IEP and at no cost to the parent." Students shall be offered ESY opportunities based upon the student's IEP and in accordance with N.J.A.C. 6A:14-4.3.

Summer school instruction shall be designed to provide opportunities to improve instructional skills. In order to support a program of summer instruction, the Board will:

1. Employ teaching and administrative staff;
2. Purchase such books, materials, supplies and equipment as may be necessary;
3. Utilize school facilities as required; and
4. Provide necessary custodial services.

The Board will not provide transportation to and from summer school classes, except special education pupils.
