Musical Instruments

2551 MUSICAL INSTRUMENTS

The Board of Education does not purchase and/or maintain musical instruments. However, the Board will assist parents/guardians of pupils enrolled in the instrumental music program by facilitating the process to rent and/or purchase a musical instrument through a third party. The Board of Education will continue to identify possible sources of low cost sharing, rental or purchase programs for students for whom the purchase of a musical instrument would impose a difficult financial burden.

Adopted: 22 July 2004
Revised: 17 June 2010
