"BUILDING A BETTER WORLD ONE STUDENT AT A TIME"

May 18, 2021

Dear Parents/Guardians,

Effective May 17, 2021, the governor has lifted the travel advisory. Please be advised of the following:

- ✓ New Jersey residents returning home from domestic travel and travelers visiting New Jersey are no longer required to quarantine. *Therefore, effective immediately, students and staff may return to school if they were quarantining due to domestic travel.*
- ✓ It is recommended we continue to exercise common sense when traveling domestically and to follow all local health and safety protocols.
- ✓ Please continue to adhere to international travel guidance and advisories from the United States, Department of State and the CDC.

The health and safety of our students and staff is always our first priority. Thank you for being flexible and understanding during these unprecedented times.

Very truly yours,

George J. Chidiac
Superintendent of Schools
