Dear Parent/Guardian:

I would like to clarify the confusion surrounding busing for our Oxycocus Preschool Program. As stated in the preregistration form and at the informational meeting on March 12, 2019, there will be no subscription busing for tuition students for the 2019-20 school year. However, as per state guidelines, there is busing for our economically disadvantaged and our preschool disabled students.

I apologize for the confusion and I am looking forward to the start of the school year.

Sincerely,

A handwritten signature in cursive script that reads "William Wilkinson".
