

Stafford Township Board of Education

2022- 2023 Goals

1. Implementation of the preschool grant expansion with a primary focus on outdoor facility enhancements
2. Support staff and students in the implementation of the new NJ Student Learning Standards.
3. Ensure and enhance the fiscal stability of the district to ensure that student achievement and student programs remain a top priority.
4. To provide professional development opportunities to create a rigorous learning environment with best instructional practices for higher student performance and outcome.

Approved by the Board of Education: April 28, 2022
