"BUILDING A BETTER WORLD ONE STUDENT AT A TIME"

October 13, 2020

Dear Parents/Guardians,

Based on an overwhelming response from parents and community stakeholders, I will be rescinding the plan to move to remote learning from November 9, 2020 through November 20, 2020. Our administration has worked diligently to reconfigure our approach during these times and will continue with in-person learning as scheduled. The circumstances of COVID-19 are ever changing and as we enter the fall and winter seasons, please remember to always have an emergency contingency plan for childcare as we could pivot to remote learning with little or no notice. We do not anticipate any disruption to in-person learning due to scheduled breaks in the future.

Once again, I would like to thank our teachers and staff that have been paramount in the success of our five day, full week, in-person learning model that many other districts could not achieve. The teachers and staff have demonstrated the ability to adapt to constantly changing circumstances during these challenging times and for that, I applaud them. As always, our staff is what makes Stafford Township School District a special place to be.

The health and safety of our students and staff is always our first priority. Thank you for being flexible and understanding during these unprecedented times.

Very truly yours,

A handwritten signature in cursive script that reads "George J. Chidiac".
