"BUILDING A BETTER WORLD ONE STUDENT AT A TIME"

July 29, 2020

Dear Parents/Guardians,

I am proud to say that the Stafford Township School District will be reopening schools in September, five days per week. We have conducted several staff and parent committee meetings in which valuable feedback was obtained. Through multiple surveys and comments from all stakeholders, our staff, parents, and community have voiced loud and clear that they want their children back in school.

This certainly has been no easy task, however our administrative team and all stakeholders have rallied together to take on this complex challenge and have risen to the occasion. The real challenge was not just to open school five days a week but to do so in a safe way with extensive social distancing and sanitation protocols intact to remain open for the 2020-2021 school year.

We are offering parents three educational options to best fit your child's needs during these uncertain times. The options are as follows: all day in-person learning, hybrid learning which is a combination of remote and in-person learning, and remote learning.

During these unprecedented times it's heartwarming and simply amazing to see our school community come together and work collaboratively through these challenges. The Stafford Township School District and our community is the greatest place to be!

We are looking forward to an incredible year!

Very truly yours,

George J. Chidiac
Superintendent of Schools
