Parent EdCamp

Parent EdCamp is a chance for parents in the district to experience what we have to offer in the district, from Mindfulness lessons to technology resources. Parents will be able to choose from over 20 different workshops to attend. Parents may bring students in the district as well, as there will be separate stations for students to rotate through during the event.

The event is open to all parents of students in Pre-K through grade 6!

If you plan on attending the event please call or email Margaret Cartagena by December 14th with the following information:

1. Name and grade level of student(s) attending
2. Name(s) of parent(s)/guardian(s) attending
3. Contact Information: Email/phone number
