

# DOLPHIN DIGEST

Volume I, Issue V

February 2019

## Principal's Message:

*We are thrilled to be supporting the American Heart Association to help teach our students and families how to take care of their hearth through the entire month of February. Our Heart Healthy month will focus on the importance of living a healthy lifestyle. The month will end with the students participating in a Kids Heart Challenge Event during their gym classes!*

**GO DOLPHINS!**

*Mrs. D'Alessandro*

## Information About Parent/Guardian Requests

Parent/Guardian input is always welcome. The Stafford Township School District makes every effort to balance our classes in terms of ability, gender, number of students in a class, and many other criteria which often makes it difficult to honor parent/guardian requests. If you have specific concerns about the placement of your child, or have specific information that will help us make an appropriate placement for your child, please feel free to send that information to the building principal.

If you wish to have one teacher removed from consideration, such wishes will usually be honored, provided that appropriate reasons/justification/rationale are well documented and included with the correspondence.

All pertinent information must be submitted to the building principal by April 15th. Any information received after that date will not be considered.

As always, thank you for your cooperation.

## Brrrr It's Cold!

Hats, coats, and gloves are a good idea as the temperature continues to drop.
