

DOLPHIN DIGEST

Volume I, Issue VII

March/April 2019

Principal's Message:

As we leap to our spring months, I wanted to take a moment to pause and exhale. The staff and students have had tremendous success thus far in the school year. As the last few months of school approach, our students and staff continue to inspire one another through the learning process by supporting, assessing for growth, and encouraging each other to be everything we aspire to be. It is this particular element that defines us as a professional learning culture where all of our learners have opportunities to thrive personally and achieve their goals. Enjoy these last few months! The summer will be here in a flash!

GO DOLPHINS!

Mrs. D'Alessandro

Information About Parent/Guardian Requests

Parent/Guardian input is always welcome. The Stafford Township School District makes every effort to balance our classes in terms of ability, gender, number of students in a class, and many other criteria which often makes it difficult to honor parent/guardian requests. If you have specific concerns about the placement of your child, or have specific information that will help us make an appropriate placement for your child, please feel free to send that information to the building principal.

If you wish to have one teacher removed from consideration, such wishes will usually be honored, provided that appropriate reasons/justification/rationale are well documented and included with the correspondence.

All pertinent information must be submitted to the building principal by April 15th. Any information received after that date will not be considered.

As always, thank you for your cooperation.

Important

Students being walked into school by a parent/guardian must be signed in.

Photo IDs are required to enter the building and sign students out.
