 May/June 2019

Principal's Message:

As another successful year draws closer to an end, it is time to start reflecting about how much has been achieved by the children, staff, and parents in one year. We achieve so much because we work together as a team and this is one of the greatest strengths of our school. It is difficult to identify the highlights because there are genuinely so many. The children have worked incredibly hard over the last year but also had a fantastic time. We have just a few weeks left so let's continue to work together and make some great memories while completing these last few weeks!
