Dear Parents/Guardians:

The Oxycocus Preschool Registration/Information Night for the 2019-20 school year has been rescheduled for March 12, 2019 at 6:00pm in the Stafford Township Performing Arts Center (STAC). The 5 full-day preschool program is open to only Stafford Township resident students ages 3 and 4 years old for the 2019-20 school year. A child must be 3 on or before October 1st, 2019 or a child must be 4 on or before October 1st, 2019. There will be a limited number of state funded preschool spots available and we no longer accept tuition students. To ensure current Oxycocus 3 year old students have first priority, parents/guardians of current Oxycocus 3 year old students should attend the meeting. Continue to check the Oxycocus Elementary School website for updated information.

Please note parents/guardians of our preschool disabled program students do not need to attend the meeting, as the limited number of spots does not affect them. If you have questions regarding the preschool disabled program, please contact your case manager.

Sincerely,

William Wilkinson
Director of Preschool
