Stafford Township School District Preschool

Mission

The mission of the Stafford Township School District, a partnership of schools, parents, and community, shall provide a secure, nurturing environment that fosters a positive self-image through educational achievement and promotes mastery of the New Jersey Student Learning Standards while encouraging students to become life-long learners in a global society.

A certified early childhood education teacher and teaching assistant will be assigned to each preschool class

Each class uses a state approved curriculum

Class sizes range from 15-20 students

What Goes on in Preschool....

Within preschool we explore and investigate many important pre-kindergarten skills. All learning takes place in small, natural settings because many learning experiences at this age are spontaneous – arising from an inquiry and expanded on by a showing of genuine interest in the idea or concept.

Throughout preschool your child will be encouraged to take a look at the world around them and ask questions about what they see, how they feel, and what they think.

By providing them with opportunities to answer these questions, they will not only learn, but grow and succeed in countless ways.

Your child will have the opportunity to learn about, and be exposed to:

Math Concepts

- Routines
- Numbers
- Patterns
- Categorizing
- Classification
- Colors
- Shapes

Science Concepts

- Independent inquiries
- Prediction and hypothesizing
- Critical thinking
- Making connections

Language Arts Concepts

- Letters
- Literature
- Sequencing
- Rhyming
- Storytelling

Social Development Concepts

- Resolving conflicts with words
- Cooperating
- Sharing
- Waiting turns
- Following directions
- Making choices independently
- Being a good person
